Gourmet Blends

Big Shoulders Bold: Our boldest, most robust blend. Our signature blend promises to be the boldest and most flavorful coffee you have ever tasted. A hearty dark roast with a harmonious balance of Central America's finest 100% Arabica coffee beans. **CBP-9090**

French Roast: Bold roasted and full bodied with a distinctive smoky taste, heady aroma and deep full-bodied flavor. **CBP-9080**

Donut Blend: Medium-bold, very smooth, and roasted to conjure up a true donut shop coffee experience. A combination of Colombian, Costa Rica, Brazilian and Guatemalan beans give this 100% Arabica blend a unique and satisfying personality. **CBP-9070**

Donut Blend Decaf: Medium-bold and very smooth Decaf the way it was meant to taste. **CBP-9070D**

Café Blends

100% Colombian: Medium-Bold and 100% Columbian. This World Class 100% Arabica coffee bean of South America is roasted for a rich, balanced, medium body, complex fruity aroma and nutty flavor have made it one of the world's most popular coffees. **CBP-7070**

Custom Blend: Full bodied medium roast - a welcomed step above ordinary office coffee and our most popular medium roast. 100% Arabica coffee beans from the highly-elevated terrain of the mountains of Guatemala, Mexico, Colombia and Brazil. **CBP-7060**

Custom Blend Decaf: Full bodied medium Decaf roast is naturally decaffeinated by a special water process for the same smooth rich experience as its fully caffeinated counterpart. **CBP-7060D**

Breakfast Blend: A mild and flavorful blend of Latin America 100% Arabica coffee beans. This breakfast favorite is perfectly light roasted to offer the delicacy of a mellow and balanced cup of coffee. **CBP-7030**

Classic Blends

Classic Roast: A smooth and balanced roast made from superior quality beans grown high on the mountain for a rich coffee flavor and aroma. A tangy liveliness with nutty overtones to make your entire day a "classic". **CBP-5020**

Classic Roast Decaf: Smooth and balanced, the same classic taste as our Classic Roast without the caffeine. **CBP-5020D**
